

Welcome to *Sayang*

Malaysian (multi-cuisine) Restaurant

GOLD COAST

Sayang is a commonly used Malaysian term of endearment conveying messages of love and appreciation. Pronounced “Sa”-“young”, it is intended to communicate our gratitude for your patronage and the fact that a large portion of love is included in every dish we prepare.

We are a family owned and run restaurant. Asha and I have operated this business since 1999. We particularly chose this new location to be central to our patrons who come from all over the Coast to enjoy the unique experience we offer.

Our family is committed to making dining at Sayang special – not just special cuisine, but an occasion made special by friendly service and a warm, welcoming environment. We are delighted that many of our patrons know us as friends and appreciate the importance of good food, good times and good company.

Sayang is a place to enjoy a pleasant dining experience. As we cater for a diverse range of patrons; we appreciate your patience when dining with us.

We suggest the Banquet Set Menu for groups larger than 6 people simply because it has a good variety and we can serve you better without much delay.

We hope you always have a pleasant experience and do tell your loved ones and friends about SAYANG.

Warmest regards
Les & Asha D'SILVA
